

# inVantage Speaking Topics and Workshops

**Creating incredible and inspirational learning experiences for audiences.**

inVantage Business Guides are world-class certified group speakers and workshop facilitators available for your events.

## **Description**

## **Format**

**Get Your Business Fit** Does your strategy measure up? Utilizing two tools – the Baseline Assessment and the two-page Strategic Vision and Execution Plan – we assess the health of your strategic plan through the filter of proven Business Operating System principles.

60 minutes or  
2 – 3 hours  
workshop

**Are you leaving business value on the table?** As a certified ValueBuilder partner, we will help business owners and leaders assess eight key business drivers that impact overall business value – either to increase value or detract from it. The results are often surprising.

90 minute or 2-  
hour workshop

**In uncertain times, is your business recession and competition resistant?** Using our proprietary Downturn Readiness Assessment, you will assess your business and prioritize the risks ahead.

60 – 90 minutes

**Welcome to the Hospitality Economy** What Unreasonable Hospitality means for business in the future. Leveraging concepts from Will Guidara's best seller, we will discuss how the economy is evolving from a service economy to now a hospitality economy in every industry and market segment.

60 – 90 minutes  
or 3-hour  
workshop

**Why some teams win, and others lose – the EQ game in Leadership.** Emotional intelligence is the one thing that can impact our whole lives. We will evaluate the key EQ skills for leaders and how they can also be derailers, and provide a tool to assess and prioritize your own opportunities for EQ Growth.

60 – 90 minutes

## **Description**

## **Format**

**Why is accountability elusive in organizations?** The four organizational components that make accountability a part of your culture fabric.

60 – 90 minutes

**The Culture Climb – Where is your organization in the journey to the top?** We will share a building block model of practical steps that create a sustainable and high performing culture.

60 – 90 minutes
